

# Diversity, it's out of hand!!

**Logline:** Whites are supreme and cultured and diverse people don't belong in our society.

**Tagline:** We need to erase our differences.

**Harleen Gill, Emma Niszcza, Ella Linton, Danielle Cranston, and Alaina Soulliere**

**Shot 1:** Statistic on black screen...

**“Racism makes me question myself and why things have to be this way... I wondered one day what it would be like to be white and how much better my life would probably be.”(voice over Danielle)**

**-Andrew, 19**

**Shot 2:** Interview of a white person saying that the diverse people don't belong, they are wearing very bland and boring clothes.

**Shot 3:** (Harleen) Shoot scene in the bathroom and she is trying to cover up the running mascara and all her sadness.

**Shot 4-7:** Flash of people, white, black, “cultured”, etc. Whites are perfect and almost don't seem real, they are all bland clothes and hairstyles. Cultured people are sad and have mascara running down their face and bruises all over their faces.. Everyone is either looking into the camera or looking to the side of the camera and the pictures/still videos only last a second or less. **\*really intense music(but still you are able to hear the person speaking on the voiceover)** and narration voice over.(matchup duration of flashes with voice over)

**Shot 8: Statistic on black screen. Statistics: Statistic graph and narrative voiceover of what it means and quotes from the author of the article.**

**\*\*“This is happening”\*\***

**Quotes:** *The U.S. is projected to have no racial or ethnic group as its majority within the next several years, and that day is already here for the nation's youngest children AND The bureau's estimates released today, say that just over half – 50.2% – of U.S. babies younger than 1 year old were racial or ethnic minorities.*

**Shot 9:** Tagline and group names: **We need to erase all of our differences.** Harleen Gill, Emma Niszcza, Ella Linton, Danielle Cranston, and Alaina Soulliere.

**Shot 10:** Credits on a black screen.

Love the topic, but I need you to keep in mind this is a mock PSA that needs amped up satire and irony. Consider, a situation where “normal whites” (in an effort to Make America Great Again) have separated themselves from people of ethnic ancestry, “alternative” sexuality, etc. Basically, your “normal” characters would appear plastic, fake, “perfect”--almost like an army of clones. The key will be your narrative voiceover. Write a bomb script. Strive to shoot with variety of cam angles/perspectives

**`Narrative voiceover script: (Mr. Kaye) For shots 4-7**

We used to accept people’s differences. But look how that turned out. We let the diverse people live freely. Now, whites are no longer predominant in our society. We gave minorities what they wanted and they took over. We need to stop the political correctness. All the diverse people have to go!
